

**REMARKS**

Applicants acknowledge with appreciation the Notice of Allowance mailed March 21, 2005. Applicants submit new claim 58, which is identical to previously presented claim 33, and depends from claim 32. Now that claim 32 has been allowed, applicants request that the Examiner enter claim 58, which merely specifies that the tumor is a fibrosarcoma tumor. This claim is supported, *inter alia*, by claim 6 of the originally-filed application.

This Amendment has been filed before payment of the issue fee and does not require additional search. Applicants request that the Examiner enter the amendment.

Dated: March 31, 2005
